Videos: Alumni at Work Request more information News iBuyers are changing real estate racial
disparities, iSchool research shows Tuesday, August 13, 2024 Instant buyers, also known as
iBuyers, rapidly buy and sell homes using automated models to set prices. These companies, such
as Opendoor and Offerpad, can turn around cash offers in a matter of hours, and they've captured
more than 5%... Read more IMLS awards more than \$1 million to iSchool researchers Tuesday,
August 13, 2024 The Institute of Museum and Library Services (IMLS) has awarded a total of more
than \$1 million in grants to University of Washington Information School researchers to support four
projects that build on scholarship in libraries and... Read more Events Aug 28 3:00-4:00PM
