Request more information News iBuyers are changing real estate racial disparities, iSchool research
shows Tuesday, August 13, 2024 Instant buyers, also known as iBuyers, rapidly buy and sell homes
using automated models to set prices. These companies, such as Opendoor and Offerpad, can turn
around cash offers in a matter of hours, and they've captured more than 5%... Read more IMLS
awards more than \$1 million to iSchool researchers Tuesday, August 13, 2024 The Institute of
Museum and Library Services (IMLS) has awarded a total of more than \$1 million in grants to
University of Washington Information School researchers to support four projects that build on
scholarship in libraries and... Read more Events Aug 28 3:00-4:00PM Informatics Program Overview
